Copy of letter dated 30/07/2024 by which Respondent No.1 informed regarding re-verification of marks / Retotalling to candidates is annexed and marked as **Annexure-11**.

6.15: The applicant again submitted representation to the Respondent No.1 by email on 31/07/2024 and 06/08/2024 wherein it is mentioned that:

...“ I, Yogesh Salvebrin Gawali, applied for state service main examination 2023 with roll number PN005080, which was conducted on 20, 21, 22 January 2023. While filling set code, I made an inadvertent error in paper 4 ie. General studies 2 paper. I wrote wrong set code b and also encircled circle b. While set d is correct code which is also put and encircled correctly by the invigilator. During examination the error made by me went unnoticed by me as well as invigilator. After realising the error made by I wrote to you and sent emails. Also I came personally to mpso office on 28 Feb 2024 and wrote application regarding this to consider my case on compassionate grounds and also took OC with mpso stamp on it. Staff said they will call me but they never called

13

back. I called many times on my own they said don't call on this helpline we cannot help you. I couldn't do anything. After result was declared on 16 July 2024 my name was not in list. I waited till 30 July 2024 when mark sheet of candidates were released. I found that I got 49 marks out of 100 in descriptive paper in Marathi and English objective I got 56.25 out of 100 In, I got 91.50 out of 150. In gs3 I got 110 out of 150. In gs4 I got 75.75 out of 150. The relevant gs2 I got only 10 out of 150. And thus it is clear that the answers I wrote with respect to set code d were evaluated with set code b. I'm sorry I have made a mistake. I have filled 39 omr sheets of mpse without any single error before this examination. I'm not a habitual offender. If gs2 paper is evaluated with set code d I get 100 instead of 10 and therefore taking my total marks to 482.5 which are more than cutoff marks 475 for open category and also 459 marks for NT-C category. There are clear chances of me getting selected in final list and that is why I'm writing to you continuously That error was once in lifetime error ma'am. I also have sent gs2 paper for re-totalling of marks hoping that mpse considers my request on compassionate grounds The link for which

is down since last 3 days. In meantime I also found about the recent MAT cases of which one is exactly similar to mine and others, though not exactly similar, are in a way allowing human intervention for the case of justice. They have asked mpse to write and circle correct set code and to re-evaluate the answers sheets. I am attaching all those cases so that you consider my request and please as a rarest of rare case give me justice. These marks are results of 4-5 years of efforts I took I have given 2 interview one for mpse state service and another for forest service in 2021. Based on directions given by MAT in these cases please evaluate my answer sheet for GS2 paper with correct set code d and let me participate in further process of medical Exam and interviews. I beg you for justice ma'am and I am once again sorry for the error I have committed. I am attaching all the documents and mat orders. Please consider my case.

...

Copies of the Email 31/07/2024 and 06/08/2024 are collectively annexed and marked as Annexure-A12.

6.16. The applicant submits that, the Respondent No. 1 had published programme of Interview on 13,14, and 16 Aug.2024 by letter dated 02/08/2024.

Copy of letter dated 02/08/2024 by which Respondent No.1 published programme of Interview on 13,14, and 16 Aug.2024 is annexed and marked as Annexure-13.

6.17. The Applicant craves the leave of this Hon'ble to refer to the Original Application No.310 of 2024 Judgment dated 13/05/2024 is reproduced as under:

...* The applicant has filed the present MA today i.e. on 13.5.2024 and moved before the Vacation Court. Applicant in the above MA prays for directions to the respondent to allow the applicant to appear for Physical Test scheduled for the period between 24.5.2024 and 6.6.2024.

9. In the present matter the mistake committed is that the applicant forgot to write the question booklet series (Set Code) and darken the circle provided for such alphabet in the answer sheet is admitted by the applicant. The decision is taken by MPSC on

28.7.2022 and pursuant to that the Press Note was published on 2.8.2022. I have perused the copy of answer sheet. It confirms the error on the part of the applicant and also by the Invigilator. The main resistance on the part of the MPSC is that entire process is computerized and there is no human interference and therefore they cannot correct such mistake. This argument is not tenable and frustrating their own decision dated 28.7.2022. In para 2 of the said decision it is specifically mentioned that whatever the system they have adopted but the object is, no candidate should unnecessarily be a sufferer and there should be an observance of the principles of natural justice so that the Court matters can be avoided. In para 3 also in the decision-making process it is mentioned the competitive examination is a major phase in the life of candidates. However, the concerned departments do not attend such calls and do not cooperate with the candidates which leads to quarrels and disputes. It is further stated in para 3 of the said note dated 28.7.2022 that the candidates should be well informed about the action taken by the MPSC. The object of the MPSC appears to be candidate friendly and laudable. However, the MPSC has lost sight of one important

aspect that in the computerized process the assessment of the answer sheet though is computerized without human interference; it is the human being who writes the answer sheet so common human errors are bound to take place despite of any Press Note. The human errors, which are not intentional and not deliberate, will not invite serious repercussion, such mistakes are required to be examined and considered by applying human logic and criteria. Use of machines should not frustrate the basic human approach and considerations.

10. When this OA was filed on 3.4.2024, notices were issued on 4.4.2024 returnable on 15.4.2024 and no interim order was passed as Ld. CPO sought time to file reply. Thereafter the matter appeared on 15.4.2024, 25.4.2024, 2.5.2024 and 7.5.2024 and Ld. CPO sought time to take instructions and file reply. Reply is filed by Under Secretary of MPSC on 8.5.2024. 10.5.2024 was the last working day before summer vacation. Ld. Advocate for the applicant pointed that in between on 9.5.2024 the MPSC declared the program for physical test commencing from 24.5.2024 to 6.6.2024 and therefore the applicant has filed the present MA in

vacation for grant of interim relief praying that the applicant be allowed to participate in the physical test.

11. It is made clear that the applicant cannot be allowed to appear for the physical test without passing the main examination. She cannot be given different treatment than the other candidates who have cleared the mains examination and are found eligible for the physical test.

12. There is one more important aspect which is required to be mentioned that, in the Press Note dated 2.8.2022 the mistakes and errors committed by the candidates and the Invigilator are taken into account. Thus, MPSC has rightly considered that it is the responsibility of the Invigilator/Supervisor also to take care of such errors like not writing the question booklet series (set code) in the answer sheet and darkening the circle provided for such alphabet. It appears that the Invigilator who was on duty at the time of examination had failed in his/her duty. Under such circumstances a candidate cannot be debarred when the candidate has written the answer sheet. On perusal of the answer sheet it is clear that the applicant has filled details in other columns in the answer sheet.

except question booklet series, which is 'D'. The MPSC could have easily found the set code number of the Question Booklet Series on the basis of other information provided by the applicant on the first page of the answer sheet.

13. The balance of convenience lies in favour of the applicant because if the relief is not granted the applicant will be debarred from the examination; on the other hand the MPSC has only to ask the applicant to write 'D' in the column provided for writing Question Booklet Series and to darken the circle provided for alphabet 'D' and process the answer sheet. It is to be remembered that a human brain feeds the program to the computer and computer is to make the examination process easy.

14. In view of the aforesaid circumstances of the case, the Respondent- MPSC is directed to allow the applicant to write 'D' in the column provided for writing Question Booklet Series and darken the circle provided for alphabet 'D' in the answer sheet and process the answer sheet. The result is to be declared by 17.5.2024 and communicated to the applicant immediately. In case the applicant clears the Mains Examination, she may be allowed to

appear for the physical test and interview. With these directions the OA and MA are disposed off by consent. No order as to costs.

...

Copy of the Judgement dated 13/05/2024 is annexed and marked as **Annexure A14**.

6.18. The Applicant craves the leave of this Hon'ble to refer to the Original Application No.487 of 2024 Judgment dated 22/05/2024 is annexed and marked as **Annexure A15**.

6.19. The Applicant craves the leave of this Hon'ble to refer to the Original Application No.686 of 2024 Oral Order dated 03/07/2024 is annexed and marked as **Annexure A16**.

6.20. The Applicant also craves the leave of this Hon'ble Tribunal to refer to the Circular dated 28/02/2017 wherein the directions have been issued for adherence to general judicial principles. The relevant portion of the G.R is reproduced herein below for the sake of ready reference and convenience-

The Hon'ble Supreme Court in the case of State of Uttar Pradesh & Ors. V/s. Arvind Kumar Srivastava reported in 2015 (1) SCC 347 has laid down similar principle- this:

"Normal rule is that when a particular set of employees is given relief by Court, all other identically situated persons need to be treated alike by extending that benefit. Not doing so would amount to discrimination and would be violative of Article 12 of the Constitution of India. This principle needs to be applied in service matters more emphatically as the service jurisprudence evolved by this Court from time to time postulated that all similarly situated persons should be treated similarly. Therefore, the normal rule would be that merely because other similarly situated persons did not approach the Court earlier, they are not to be treated differently".

In view of above, all the departments are hereby directed to take action according to the above directions given by the Hon'ble Maharashtra Administrative Tribunal, reiterating the legal position expounded by the Hon'ble Supreme Court.

Copy of the Circular dated 28/02/2017 is annexed and marked as **Annexure A-17**.

6.21. The Applicant is aggrieved by non-consideration of request for GS-II paper to be evaluated with Question Booklet Series-“D” since the applicant mentioned it as “B” inadvertently and deprived from interview and is approaching this Hon’ble Tribunal on the following amongst other grounds which are taken without prejudice to one another –

6.21.1. In evaluating the Applicant’s GS-II paper, where the correct Question Booklet Series code “D” was marked as “B” due to a mistake by the Applicant and not corrected by the Invigilator, leading to significantly lower marks.

6.21.2. The failure to correct the obvious error in the answer sheet marking, despite it being brought to the attention of the Respondent, violates the principles of natural justice. The process should ensure that no candidate suffers due to such clerical errors, especially when it was recognized by the invigilator.

6.21.3. The Applicant can rely on similar cases where Tribunals or courts have directed the authorities to correct such errors and re-evaluate the answer sheets. This includes the Judgment in Original Application No. 310 of 2024, which set a precedent for correcting such errors.

6.21.4. The Circular dated 28/02/2017 and the Supreme Court ruling in the case of State of Uttar Pradesh & Ors. v. Arvind Kumar Srivastava, which emphasize that all similarly situated persons should be treated alike to avoid discrimination.

6.21.5. The invigilator's failure to cross verify the correct marking of the Question Booklet Series code, despite it being their duty, constitutes administrative oversight. This negligence should not prejudice the Applicant's results.

6.21.6. There is significant impact on the Applicant's future career prospects due to this error. The Applicant had cleared the preliminary examination and was eligible for the

main examination but was unjustly disqualified from the interview stage due to this clerical mistake.

6.21.7. Despite multiple representations and reminders sent to the Respondent, there has been no satisfactory response or corrective action taken, demonstrating administrative inaction and disregard for the Applicant's grievances.

6.21.8. The Respondent's own guidelines and press notes, such as the publication on 02/08/2022, fail to address specific actions to be taken in case of such errors, demonstrating a lack of clear procedural guidelines for addressing candidate grievances effectively.

6.21.9. The inconsistent application of rules where other candidates in similar situations have received rectification and reevaluation (as evidenced by the judgments in OA No. 310 of 2024, OA No. 487 of 2024, and OA No. 686 of 2024) but the Applicant has been denied the same treatment.

6.21.10. The Respondent's failure to transparently communicate the process and steps taken to address the Applicant's grievance undermines the integrity of the examination process and accountability of the examination authorities.

6.21.11. The Respondent's actions violate the equal protection clause under Article 14 of the Constitution of India, which guarantees equality before the law and protection against arbitrary actions by state authorities.

6.21.12. The Applicant has faced significant mental and emotional distress due to the prolonged uncertainty and denial of justice, impacting their well-being and ability to prepare for future examinations.

6.21.13. The error and subsequent refusal to correct it adversely impact meritorious candidates, potentially denying them their rightful place in the merit list and thereby undermining the objective of selecting the best candidates for state services.

6.21.14. The undue delay by the Respondent in addressing the Applicant's grievances, despite timely representations and follow-ups, demonstrates administrative inefficiency and indifference towards candidates' issues.

6.21.15. The Applicant, despite being a qualified candidate who cleared the preliminary examination and submitted all required documents on time, was unjustly denied a fair opportunity to compete in the interview due to the clerical error.

6.21.16. The over-reliance on automated processes without necessary human intervention to correct identifiable errors goes against the principles of justice and fairness in competitive examinations.

6.21.17. The Respondent's actions are inconsistent with MPSC's stated objective of being candidate-friendly and ensuring that no candidate is unnecessarily a sufferer due to minor errors, as highlighted in their own decisions and press notes.

6.21.18. The Applicant's case is supported by multiple legal precedents where courts have directed examination authorities to correct such errors and ensure justice for candidates, reinforcing the argument for reevaluation.

6.21.19. The negligence of the invigilator in not verifying the correct series code during the examination, as is their responsibility, further supports the claim that the Applicant should not be penalized for an error that could have been corrected on the spot.

6.21.20. The failure to treat similarly situated candidates alike by extending the same relief provided by courts in other similar cases.

Grave injustice and prejudice has been caused to the Applicant.

Hence this petition.

Respected ma'am,

I, Yogesh Sahebrao Gawali, appeared in State Service Main Examination-2023. While filling set codes I wrote code b instead of code d and also filled up circle b instead of circle d. While the invigilator has wrote correct code d and also filled up circle d. It happened due to lapse of mind. I couldn't find the provision the commission adopts in the circular dated 2 August 2022. I request you to consider my case on the compassionate grounds. Please communicate to me what can I do. I have also visited the mpsc office but didn't get any satisfactory answer. I have wrote application as they told me. I am attaching the concerned documents.

Yours truly,

Yogesh Gawali

Respected ma'am,

I, Yogesh Sahebrao Gawali, appeared in State Service Main Examination-2023. While filling set codes I wrote code b instead of code d and also filled up circle b instead of circle d. While the invigilator has wrote correct code d and also filled up circle d. It happened due to lapse of mind. I couldn't find the provision the commission adopts in the circular dated 2 August 2022. I request you to consider my case on the compassionate grounds. Please communicate to me what can I do. I have also visited the mpsc office but didn't get any satisfactory answer. I have wrote application as they told me. I am attaching the concerned documents. Please ma'am I'm waiting for official reply.

Respected ma'am/sir,

I, Yogesh Sshebroo Gawali, applied for state service main examination 2023 with roll number PN005080, which was conducted on 20, 21, 22 January 2023. While filing set code, I made an inadvertent error in paper 4 i.e. General studies 2 paper. I wrote wrong set code b and also encircled circle b. While set d is correct code which is also put and encircled correctly by the invigilator. During examination the error made by me went unnoticed by me as well as invigilator. After realising the error made by I wrote to you with emails. Also I came personally to mpac office on 28 Feb 2024 and wrote application regarding this to consider my case on compassionate grounds and also took OC with mpac stamp on it. Staff said they will call me but they never called back. I called many times on my own they said don't call on this helpline we can not help you. I couldn't do anything. After result was declared on 16 July 2024 my name was not in list. I waited till 30 July 2024 when marksheets of candidates were released. I found that I got 49 marks out of 100 in descriptive paper. In Marathi and English objective I got 56.25 out of 100. In gs1 I got 91.50 out of 150. In gs3 I got 110 out of 150. In gs4 I got 75.75 out of 150. The relevant gs2 I got only 10 out of 150. And thus it is clear that the answers I wrote with respect to set code d were evaluated with set code b. I'm sorry I have made a mistake. I have filled 39 omr sheets of mpac without any single error before this examination. I'm not a habitual offender. If gs2 paper is evaluated with set code d I get 100 instead of 10 and therefore taking my total marks to 482.5 which are more than cutoff marks 475 for open category and also 459 marks for ntc category. There are clear chances of me getting selected in final list and that is why I'm writing to you continuously. That error was once in lifetime error ma'am. I also have sent gs2 paper for re-totalling of marks hoping that mpac considers my request on compassionate grounds. The link for which is down since last 3 days. In meantime I also found about the recent MAT cases of which one is exactly similar to mine and others, though not exactly similar, are in a way allowing human intervention for the case of justice. They have asked mpac to write and circle correct set code and to re-evaluate the answers sheets. I'm attaching all those cases so that you consider my request and please as a rarest of rare case give me justice. These marks are results of 4-5 years of efforts I took. I have given 2 interview one for mpac state service and another for forest service in 2021. Based on directions given by MAT in these cases please evaluate my answer sheet for gs2 paper with correct set code d and let me participate in further process of medical and interviews. I beg you for justice ma'am and I am once again sorry for the error I have committed. I am attaching all the documents and mat orders. Please consider my case.

Yours sincerely,

Yogesh

1- The applicant has filed the present OA and interim application seeking directions from this Tribunal to the Respondent-MPSC to carry

but the assessment for Question Booklet No.305900 with Question Booklet Series 'D' (Set Code Number) for Answer sheet of Paper No.1 of Maharashtra Subordinate Services Main Examination - 2022 for Police Sub Inspector and accordingly the respondent be further directed to declare the marks of the applicant for the Mains Examination in order to undergo further selection process such as Physical Test and the Interview test.

2. Ld. Advocate for the applicant has submitted that the Respondent-MPSC issued advertisement No.53/2022 dated 23.6.2022 for Maharashtra Subordinate Services Non-Gazetted Group-B Post Common Preliminary Examination - 2022 to fill up total 800 posts including 603 posts of the Police Sub Inspector. The applicant cleared the Preliminary Examination on 14.8.2023. The schedule of the Mains Examination was declared by Advertisement dated 14.8.2023. Applicant appeared for the Main Examination and the results were declared on 13.3.2024 wherein the name of the applicant did not appear. Applicant was informed that as the applicant had failed to mention the Question Booklet Series and to darken the circle provided for alphabets in the Answer sheet, hence her answer sheet was not assessed.

3. Ld. Advocate for the applicant has further argued that when the applicant had relooked the Answer sheet copy, it was found that inadvertently this bonafide error has occurred. The applicant did not write the Question Booklet Series (set code) 'D' in the Answer sheet and also did not blacken the circle provided for alphabet 'D'. Even the Invigilator has neither filled the Question Booklet Series nor darkened the circle provided for the alphabet which is required to be done by the Invigilator at the time of supervision. He has only signed in the box provided for the Invigilator.

4. Ld. Advocate for the applicant has pointed out the Press Note/Public Notice/Announcement dated 2.8.2022 wherein in column no.14 it was mentioned that if the candidate and the invigilator both does not write the question booklet series and darken the circle provided, then such answer sheet will not be assessed. Ld. Advocate for the applicant has urged that the mains examination was conducted on 1.10.2023 and the applicant realised within two days thereafter that she forgot to fill up the Question Booklet Series No.'D' and she immediately submitted her representation dated 4.10.2023 to the respondent with acknowledgement dated 4.10.2023. This Press Note is issued for the first time and for such bonafide mistakes the MPSC earlier used to take different stand. Ld. Advocate for the applicant pointed out 5 reasons provided in para 2 of the Press Note dated 2.8.2022 for details of mistakes i.e. not writing name of the examination, roll number, signature, number of questions attempted and the signature of the invigilator and in the next column it is stated that for such mistakes the answer sheet will be assessed. In para 3 of the notice they have given different circumstances such as mentioning of question booklet number and series and darkening of circle etc., and for such mistakes the assessment will not be done. Ld. Advocate for the applicant submits that the applicant has not mentioned the Question Booklet series and not darkened the circle provided for such alphabet and he is facing the issue. Ld. Advocate for the applicant submits that the Press Note is instructions and not the rules.

5. Ld. Advocate for the applicant submits that the applicant has now filed the above MA for the directions to the respondent to allow the applicant to undertake and to appear for the Physical Test scheduled as per publication dated 9.5.2024 for the period between 24.5.2024 and 6.6.2024. Ld. Advocate for the applicant submits that he has made a case for interim relief and the applicant may be allowed to appear in the physical examination.

6. Affidavit in reply dated 8.5.2024 is filed by Dilip Arjun Waghre, Under Secretary, MPSC and he appeared today through Videoconferencing. He in query has submitted that the work of assessment of the papers is given to the private service providers by issuing tenders. He pointed out para no 4 of the Press Note dated 2.8.2022, that any representation or correspondence in respect of error or mistakes in the answer paper will not be taken into account and whatever letters are sent by candidates are filed and not looked into and that is why the letter of the applicant was not replied. He answered that no action is taken against the invigilator for his/her mistake of not mentioning the Question Booklet Series on the answer sheet of the applicant.

7. Ld. PO relied on the said affidavit in reply dated 8.5.2024 and has submitted that the process and assessment of answer papers by the MPSC is computerized and no human interference is found. The MPSC is unable to identify in which set code (Booklet Series No.) the answer sheet of the applicant is to be considered. Ld. PO argued that the applicant has not challenged the Press Note dated 2.8.2022. Ld. PO vehemently opposed the submissions of the Ld. Advocate for the applicant and she relied on the decision dated 28.7.2022 taken by the MPSC annexed to the reply. She has submitted that if at all interim relief is granted it is as good as deciding the OA finally. Moreover, there may be number of candidates who have committed such mistakes and not written the booklet series in the answer sheet and they all will approach this Tribunal, if the relief is granted and this will become a precedent and will create chaos.

8. Heard both the sides. The result of the mains examination was declared on 13.3.2024 and the applicant has filed this OA on 3.4.2024. The interim relief and the final relief are same and therefore if interim relief is granted it will be granting final relief and deciding the OA finally.

The applicant has filed the present MA today i.e. on 13.5.2024 and moved before the Vacation Court. Applicant in the above MA prays for directions to the respondent to allow the applicant to appear for Physical Test scheduled for the period between 24.5.2024 and 6.6.2024.

9. In the present matter the mistake committed is that the applicant forgot to write the question booklet series (Set Code) and darken the circle provided for such alphabet in the answer sheet is admitted by the applicant. The decision is taken by MPSC on 28.7.2022 and pursuant to that the Press Note was published on 2.8.2022. I have perused the copy of answer sheet. It confirms the error on the part of the applicant and also by the invigilator. The main resistance on the part of the MPSC is that entire process is computerized and there is no human interference and therefore they cannot correct such mistake. This argument is not tenable and frustrating their own decision dated 28.7.2022. In para 2 of the said decision it is specifically mentioned that whatever the system they have adopted but the object is, no candidate should unnecessarily be a sufferer and there should be an observance of the principles of natural justice so that the Court matters can be avoided. In para 3 also in the decision-making process it is mentioned the competitive examination is a major phase in the life of candidates. However, the concerned departments do not attend such calls and do not cooperate with the candidates which leads to quarrels and disputes. It is further stated in para 3 of the said note dated 28.7.2022 that the candidates should be well informed about the action taken by the MPSC. The object of the MPSC appears to be candidate friendly and laudable. However, the MPSC has lost sight of one important aspect that in the computerized process the assessment of the answer sheet though is computerized without human interference, it is the human being who writes the answer sheet so common human errors are bound to take place despite of any Press Note. The human errors, which are not intentional and not deliberate, will not

involve serious repercussion, such mistakes are required to be examined and considered by applying human logic and criteria. Use of machines should not frustrate the basic human approach and considerations.

10. When this OA was filed on 3.4.2024, notices were issued on 4.4.2024 returnable on 15.4.2024 and no interim order was passed as Ld. CPO sought time to file reply. Thereafter the matter appeared on 15.4.2024, 25.4.2024, 2.5.2024 and 7.5.2024 and Ld. CPO sought time to take instructions and file reply. Reply is filed by Under Secretary of MPSC on 8.5.2024. 10.5.2024 was the last working day before summer vacation. Ld. Advocate for the applicant pointed that in between on 9.5.2024 the MPSC declared the program for physical test commencing from 24.5.2024 to 6.6.2024 and therefore the applicant has filed the present MA in vacation for grant of interim relief praying that the applicant be allowed to participate in the physical test.

11. It is made clear that the applicant cannot be allowed to appear for the physical test without passing the main examination. She cannot be given different treatment than the other candidates who have cleared the mains examination and are found eligible for the physical test.

12. There is one more important aspect which is required to be mentioned that, in the Press Note dated 2.8.2022 the mistakes and errors committed by the candidates and the Invigilator are taken into account. Thus, MPSC has rightly considered that it is the responsibility of the Invigilator/Supervisor also to take care of such errors like not writing the question booklet series (set code) in the answer sheet and darkening the circle provided for such alphabet. It appears that the Invigilator who was on duty at the time of examination had failed in his/her duty. Under such circumstances a candidate cannot be debarred when the candidate has written the answer sheet. On perusal of the answer sheet it is clear that

the applicant has filled details in other columns in the answer sheet except question booklet series, which is 'D'. The MPSC could have easily found the set code number of the Question Booklet Series on the basis of other information provided by the applicant on the first page of the answer sheet.

13. The balance of convenience lies in favour of the applicant because if the relief is not granted the applicant will be debarred from the examination; on the other hand the MPSC has only to ask the applicant to write 'D' in the column provided for writing Question Booklet Series and to darken the circle provided for alphabet 'D' and process the answer sheet. It is to be remembered that a human brain feeds the program to the computer and computer is to make the examination process easy.

14. In view of the aforesaid circumstances of the case, the Respondent-MPSC is directed to allow the applicant to write 'D' in the column provided for writing Question Booklet Series and darken the circle provided for alphabet 'D' in the answer sheet and process the answer sheet. The result is to be declared by 17.5.2024 and communicated to the applicant immediately. In case the applicant clears the Mains Examination, she may be allowed to appear for the physical test and interview. With these directions the OA and MA are disposed off by consent. No order as to costs.

Government Circular No.: 681-2016/Misc./E**

Madam Cama Road, Hutatma Rajguru Chowk,

Date: 28 February, 2017

CIRCULAR

1. The Hon'ble Maharashtra Administrative Tribunal, Mumbai, vide order dated 14.12.2016 in O.A. Nos. 59, 61 and 90 of 2016, has expressed displeasure over rejection of the claim of the applicants therein, for grant of Time Bound Promotion on the ground that the applicants had declined to accept temporary promotions, though in similar matters Hon'ble Tribunal has allowed the OAs and order of the Tribunal has attained finality.
2. The Hon'ble Tribunal, in Para 6 of aforesaid Judgment, has observed as under:-

"If a principle of general applicability is capable of being culled out from a particular pronouncement of this Tribunal, then similarly placed employees, though not before the Tribunal should be given the benefit thereof without actually moving this Tribunal for relief. If on the other hand, the relief is person specific, then of course, this direction will not apply."

Therefore, the Hon'ble Tribunal has directed the undersigned to inform all the concerned departments regarding applicability of general judicial principle as explained in Para 8 of the aforesaid Judgment.

3. The Hon'ble Supreme Court in the case of *State of Uttar Pradesh & Ors Vs. Arvind Kumar Srivastava* reported in 2015 (1) SCC 347 has laid down similar principle, thus:

"Normal rule is that when a particular set of employees is given relief by the Court, all other identically situated persons need to be treated alike by extending that benefit. Not doing so would amount to discrimination and would be violative of Article 14 of the Constitution of India. This principle needs to be applied in service matters more emphatically as the service jurisprudence evolved by this Court from time to time postulates that all similarly situated persons should be treated similarly. Therefore, the normal rule would be that merely because other similarly situated persons did not approach the Court earlier, they are not to be treated differently".

4. In view of the above, all the departments are hereby directed to take action according to the above directions given by the Hon'ble Maharashtra Administrative Tribunal reiterating the legal position expounded by the Hon'ble Supreme Court.
5. The aforesaid directions be also brought to the notice of the offices under the administrative control of the departments.
