applicant therefore, the applicant has no alternative remedy except to approach this Hon'ble Maharashtra Administrative Tribunal on the following grounds which are without prejudice to each other.

GROUND

- I) That, the respondent no.2 has failed to consider that, as per the first answer key the applicant has secured 62 marks and after correcting the answers thereby publishing second/final list wherein the marks of the applicant has been increased by 3 marks. It means that, the applicant has secured 65 marks as per his calculation but while publishing the final result the respondent No.2 has shown only 64 marks.
- II) That, the applicant along with other candidates always hopes to succeed in the examination but due to the inaction on the part of respondent no.2 authority the applicant has suffered a lot and though the applicant has not at fault in answering the question and secured the good marks despite the fact due to the fault on the part of respondent No.2 applicant has not been held qualified for further selection process.

BEFORE ME

- III) That, it needs to be considered that, while responding to the mail of the applicant the respondent No.2 has shown casual approach thereby simply saying that, we calculated your marks and same are correct but in fact it was expected from the respondent No.2 to show the proper evaluation of each question so as to satisfy the grievance of the applicant.
- IV) That, it is duty upon the respondent No.2 to satisfy the application as he has raised genuine grievance because on the earlier when the first answer key was published, the applicant has calculated his marks to the extent of 62 marks and after publishing the second list the applicant has calculated his marks as 65 but when he perused the result he get surprised therefore, he has raised his grievance before the respondent No.2.
- V) That, the applicant is entitled and eligible for participating in the further process of selection as the applicant has secured requisite marks.
- VI) Other grounds will be submitted at the time of hearing.
